d. Career Opportunities for Women in the CS Mr. Karamessines referred to his recent memorandum on this subject and emphasized that he had every intention of insuring that women in the Clandestine Service are given every opportunity to compete for senior jobs and senior salary levels. He asked the Chiefs of Divisions and Staffs to undertake an individual evaluation of the women in the respective Components against the objectives of giving them greater opportunities for upcoming vacancies involving greater responsibilities. He added that if any DDP officer or any DDS officer serving with the CS had any problem with his stated program, he would be glad to explain it personally to them.

e. Credit Union Mr. Karamessines announced that the Credit Union is paying a 6% dividend for the second quarter of 1971 and that Credit Union management believes they can declare an average of 6% for all of 1971.

f. Advanced Operations Course Mr. Karamessines spoke of his recent meetings with members of the last Advanced Operations Course and the great endorsement given the course by the students. There was a general
